DESCRIPTION OF WORK

The scope of work includes the following: 1) demolition and off-site disposal of concrete structures and possibly buried pipe; 2) dewatering of soil (impacted with oil refinery residues) at flow rates up to 1,000 gallons per minute; 2) excavation and off-site disposal of dewatered soil (approx. 40,000 tons); 3) stockpiling lightly contaminated soil on site; 4) installation and operation of an activated carbon groundwater treatment system for flows up to 1,000 gpm; and 5) backfilling and compaction of the excavation with clean soil from off site. All work involved in this project shall be completed by 40-Hr OSHA trained personnel.

Bid Security and Performance Bonds: ☒ Required ☐ Not Required

All Bidders submitting bids in excess of \$100,000.00 must be certified by the Department of Civil Rights for compliance with State of Michigan Equal Employment Opportunity requirements prior to submission of bids. **Note:** Due to recent processing improvements by the Department of Management & Budget (DMB) and the Department of Civil Rights (DCR) concerning Certificates of Awardability, consideration may be given to bids received while final certification is still pending. In order to qualify for such consideration a bidder who does not possess a Certificate of Awardability valid through the bid opening date must do each of the following:

- Notify MDCR in writing, by sending a facsimile (fax) to 313-456-3826 at least 3 business days prior to the bid opening date, that the bidder has submitted a bid contingent upon a pending Certificate of Awardability. Notice shall indicate the contract bid upon, the scheduled bid opening date, the name and phone number(s) of a contact person able to speak for the bidder on the subject of awardability, and the date on which the bidder's application for Certificate of Awardability was initially filed.
- Ensure that all information required on the application for Certificate of Awardability was provided to MDCR.
